Correspondents are requested to send early orders, thus giving me time to enter them in my books before I leave for New York. It is not an uncommon thing for me to have a greater number of orders than there are lots in the catalogue and many often arrive too late. Writing as I do, with difficulty, it is very desirable that those who wish to entrust their orders to me, should send them as early as possible, that they may receive proper attention. Address as below; but late orders may be sent to me at New York, care of the auctioneers.

The coin dealers of New York, Baltimore, Philadelphia and Lancaster, Pa., will also receive and faithfully execute bids that may be placed with them. As many inquiries are sent me asking for catalogues to complete files, I have prepared a printed list of those that can be supplied, neatly priced in ink, to the 105th inclusive, which will be sold at prices named. This list will be sent on application.

Priced Catalogues of this sale, printed on heavy tinted paper with two plates, will be mailed to order as soon after the sale as possible on receipt of $2.00.

While it is quite improbable that the prices then paid by Mr. Klein will now be realized, it is but just to him to specify what many of them cost, and from whom they were purchased.
